# NSS Annual Report 2020-21

## Project 1- Road Safety

### Activity 1- Road Safety Quiz 1

The Road Safety Quiz 1 was held on 30<sup>th</sup> January 2021. The Quiz was a medium to understand how much students are aware of the Road Safety Rules and Regulations. Which are the topics students least aware about and topics they are most aware about. Walking, riding or driving safely and courteously is the responsibility of each person using the road. This responsibility should be understood by everyone was the motive of the quiz.

### Activity 2- Road Safety Quiz 2

The Road Safety Quiz 2 was held on 31<sup>st</sup> January 2021. This Quiz included questions related to Traffic Rules and Regulations. The quiz aimed at making the roads and streets in India safer by raising awareness about how to avoid accidents and injuries while on the road. Through this interactive quiz, participants had the opportunity to assess their knowledge about Roads and safety.

### Activity 3- Road Safety Awareness Webinar 1

The Road Safety Awareness Webinar 1 was held on 3<sup>rd</sup> February 2021. Guest Lecturer was invited to share the knowledge about Road Safety and aware students about some important knowledge of road safety and basic facts. Messages that are delivered in close proximity to the behaviour are most effective in changing it. This means that a core objective should be to reach drivers when they are in their vehicle, and the use of enforcement strategies to augment the delivery of campaigns if practical and feasible, can strengthen barriers to the behaviour and increase controls to help prevent it. Thus students received a lot of information through this which will help them in becoming a responsible citizen and a good vehicle driver.

### Activity 4- Road Safety Awareness Webinar 2

This activity was held on 3<sup>rd</sup> February 2021. The objective of the webinar was to aware students about the consequences of not following the traffic rules. It is very important to be aware that **road traffic injuries remain an important public health problem**. When road safety products are utilized correctly or efficiently, they can help save lives, prevent accidents and injuries, and keep a society functioning in the most optimal way. The webinar provided students enough knowledge about things to do and things not to do while walking on road or riding a vehicle.

### Activity 5- Rally on Road Safety

Kharghar, Navi Mumbai-410 210.

The rally started from A.C Patil College of Engineering and ended in the campus of the main roads of Kharghar. At the rally, the students were walking along the slogans while chanting slogans the students shouted out the slogans about road safety. It was not only about two wheelers but also for the drivers who drive four wheelers. The students spread awareness about 'No Horn' no to keep high car lights on highways and more during the rally. It was a successful event wherein the students also interacted with the citizens. The motive behind organising the rally was to develop the student as a national power, to make them think about development, in which road safety plays an important role. The objective of the rally was to bring the students to the traffic road safety information to all the people.

#### Activity 6- A Day with Traffic Police

A day with Traffic Police this activity was held on 9<sup>th</sup> February, 2021. The NSS students of A.C Patil College of Engineering were the traffic police for the day. Every citizen who followed all the traffic rules and regulations was awarded with a certificate by the one day traffic police NSS students. Some traffic Police were also there to guide the students. This activity made students more responsible towards the society and road safety measures. People who not followed the traffic rules were given a pamphlet of rules and regulations and were told to follow the rules next time and it's importance and consequences.

#### Activity 7- Road Safety Awareness Lecture by Traffic Police

Road Safety Awareness by Traffic Police this Activity was held on 1<sup>st</sup> March, 2021. The Police Inspector of Kharghar Police Station was invited to give the lecture to NSS students. The Police guided students about the need to follow the Road Safety rules. He also informed the students about the increasing cases of accidents and told that the only way to reduce the accident cases is to follow the traffic rules and Road Safety measures. In order to give an experience of becoming a traffic cop and understand the importance of following traffic rules, the Navi Mumbai traffic police have started this initiative.

#### Activity 8- PPT on Road Safety

The NSS students of A.C Patil College of Engineering were told to make a presentation on Road Safety and present it on 3<sup>rd</sup> March, 2021. This activity was carried out in order to understand what students have learnt from those activities. The motive of the activity was to check how NSS students will share their knowledge about Road Safety and will they spread it's awareness and importance among People and Society.
