Dear Sir,

Greetings!

This is Parth Thakar. I met you yesterday (18th) regarding GATE training for Mechanical Engineering students.

I am training students for GATE Exam since 2016 and was previously associated with leading GATE coaching institutes like ProGATE GATE coaching and Vidyalankar Classes and Publications.

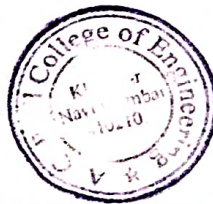

This year (2023), I have started an offline centre (by name Thakar Training Centre) at Mulund West, Mumbai, for Mechanical Engineering Students.

As for my educational background, I have done B. Tech. from V.J.T.I. and M. Tech. from I.I.T. Bombay. I had secured an AIR of 325 in GATE in my first attempt during the final year of B. Tech.

As per our discussion yesterday, we can together plan to conduct GATE Training for students at college campus (if permissible). So kindly suggest how this can be discussed further.

Hope you will do the needful.

Thanks and Regards,
Parth Thakar,
