Clean and Green Campus Initiatives

The institute observe restricts the entry of vehicles of students as well as faculties without helmet

As the institute is in close proximity to the local railway station and bus stops, so students, faculties and visitors can use the footover bridge as well the wide roads with broad footpaths.

The institute also has a rental bicycle/ battery operated vehicles point just 10 to 15 feet away from the gate.

The use of plastic bags are banned in the campus and this information is conveyed to all by many awareness programs organised by NSS as well during the celebration of cultural and technical festivals.

The institute camus is also having green landscape and trees as well beatified by using tress and plants The Institute has always insisted for Tree plantation inside campus as well beyond campus through the NSS activities every year .
