Respected Sir/Mam,

Greetings from Rubicon.

It gives us immense pleasure to introduce Barclays monthly events for Trained students.

This is to inform you that Rubicon Trainer has shortlisted a few candidates from this batch of your college for the upcoming online event with the Barclays team. The Online Event will be scheduled on 10 Feb 2022 to conduct the Colleague Engagement Session . We have identified the below-mentioned qualities in these students.

Good Communication
Highly Participative and Interactive
Knows "Connect with work" program of Barclays organised by NGO partner "Tomorrow's Foundation"and Training Partner - Rubicon

We need your confirmation for these students where they meet Barclays Volunteers and explore their opportunities to interact

Note :- 1) There are multiple briefing sessions.
2) Will Create a WhatsApp group and all the information will be given in that group
3) Will Provide the participation certificate to all those who have attended all briefing and final Barclays Event.
4) Attendance is Mandatory for all sessions.
5)Students should not be placed.
6)College has to ensure that all the students should be present for all the briefing sessions & main event.

Dear Sir,

*Greetings from **GTT Foundation**!!!*

As discussed please find training details-

*It is my pleasure to introduce **GTT Foundation**; an education and training venture, set up by some of the best minds from the industry, education, and technology domains. The venture aims to provide '**quality with scale**' through programs delivered with the help of innovative technologies and compelling content.*

*We would like to interest you by mentioning that this Program is a Corporate Social Responsibility (CSR) Initiative. Thus, this entails **"no cost to either the student or the institute"**. This program would help the student during their placements.*

I would be happy to take any queries that you may have.

In the interim, request you to visit this link to know more about us: www.gttconnect.com

and know more about our programs for students: https://gttconnect.com/about-us/

GTT Foundation (GTTF) is a registered education and training venture, set up by some of the best minds from the industry, education, and technology domains. The venture aims to provide 'quality with scale' through programs delivered with the help of innovative technologies and compelling content.

The training which is being conducted by us, Global Talent Track in association with our sponsors/official training partners Barclays. As a part of the Barclays CSR initiative, Barclays has decided to skill unemployed youths as per the industry requirement. We would be executing the training program under this initiative, with a limited number of colleges across India.

Rubicon's "Connect with Work" Program

Respected Sir / Ma'am,

Greetings from Rubicon!

It is my pleasure to introduce **Rubicon**; **Rubicon** was incepted with a dream of a world where every youth has the power to transform lives for themselves and others around them. We strongly believe that every youth has the potential to make a difference in their personal lives as well as the community around them. We build competencies, which would help youth seek careers and prosper in their career of choice. We bring excitement into learning by developing and harnessing, their curiosity and intrinsic motivation for learning.

Rubicon's "Connect with Work" Program, supported by Barclays aims at improving the employability skills of the youth. This initiative is supported by Barclays. Under this program students will be trained by Corporate Trainers to enhance their Lifeskills which would help them significantly to increase their chance of succeeding in a job interview. This Program is being launched with limited no of colleges in India.

We are looking forward to partner with your institute and plan to run the below initiatives:

1. 24 hrs. classroom training on Interview Skills (Details mentioned below)
2. Industry visit of students to various organizations.
3. Post Placement Mentoring and Career Counselling for one year.

In the Life Skills training, we will be covering the below topics:

1. Organizational Structure

Greetings from The American India Foundation, hope you are safe and doing well!

As per our discussion over call,Jayshree Master Trainer, AIF, I am sharing project details with you.

The American India Foundation is committed to improving the lives of India's underprivileged, with a special focus on women, children, and youth. AIF does this through high-impact interventions in education, health, and livelihoods, because poverty is multidimensional. AIF's unique value proposition is its broad engagement between communities, civil society, and expertise, thereby building a lasting bridge between the United States and India. Working closely with local communities, AIF develops and tests innovative solutions in partnership with NGOs and Governments to create and scale sustainable impact.

In this view, we are presenting a very ambitious program for your students called 'Dell Future Workspace Skills Training Program'.

Details of Training Program:

.Free of cost training program on Employability Skills with support of subject experts and industry mentors
